

## **PE MEDICALS PROCEDURES**

**Students who are excused from PE by the nurse will follow the procedures listed below!**

**-A student who has a one day medical pass from the nurse will remain in PE and help the PE teachers with equipment set up, equipment take down, officiating etc.**

**-Any student who has a multiple day medical pass from the nurse will be required to follow the process listed below.**

**-The students will show their medical pass to their PE teacher during roll call**

**-The teacher will sign the medical excuse pass and send them to B205, Library or the ISD room**

**-Each location will have a number of Fitness for Life PE text books, one for each student**

**-Medical students will be asked to read and outline or answer the review questions of a designated chapter assigned by the PE teacher**

**-The chapter work may be typed or hand written**

**-The assignment will be due at roll call of the next days PE class**

**-Medical students in hours 1,2,3,5 & 6 should report to room B205**

**-Medical students in 4<sup>th</sup> hour will report to the Library**

**-Medical students are to remain in the library or B205 until the dismissal bell rings**

**Note: students must participate in PE class at least 2/3 of the quarter. If a student is going to be medical for more than 1/3 of the quarter, (Approximately 14 days) he/she will be drop from PE for the remainder of the quarter.**
