**SCHOLARSHIPS:** A scholarship fund has been established to help students who find it difficult to pay the \$125.00 tuition. An application for the scholarship is available from the Guidance Office. Students must turn in their registration form, scholarship application and pay their \$62.50 portion to apply. The deadline for scholarship application is May 12.

**DRIVER EDUCATION:** Students requesting Classroom Auto Safety must have completed 9<sup>th</sup> grade, have turned 15 by June 29, 2017 and have earned at least 5 high school credits. **ATTENDANCE:** Due to the compactness of the summer schedule, attendance is very important. There will be consequences for multiple absences and/or tardies. Students more than 15 minutes late will be expected to stay in class, but will be considered absent for the day. Those missing more than 3 days will be dropped from their summer school class(es) unless they are considered field trips with school chaperones or have previous approval from the principal, Mr. Bellm. Pre-arranged absences such as church camp, scout camp or vacations will not be approved. With approval, four days are the maximum that can be missed and only when the school is asking a student to do two things at once, such as band camp or science camp. Family and church vacations are not acceptable reasons. PE may miss a fourth day, but the student will be required to extend another day and participate in a second class to make up the fourth day. Absences should be called into 474-2700. Ext. 0.

**GRADES:** A midterm grade report and a final grade report will be issued.

**REFUNDS:** No refunds will be made after June 1. You must call Ms. Collins at 474-6901 no later than 3:00 on Thursday, June 1, to request a refund of summer school fees. Also, please call if the student needs to withdraw from the course after the refund deadline. This will insure that a withdrawal will be entered on the student's transcript instead of a failing grade.
